PROXY STATEMENT

This proxy statement contains information related to the Annual Meeting of Stockholders (the "Annual Meeting") to be held on August 11, 2021 at 9:30 a.m. local time, at One Grand Central Place, 60 East 42nd Street, Suite 2430, New York, New York 10165, or at such other time and place to which the Annual Meeting may be adjourned or postponed. The enclosed proxy is solicited by the Board of Directors (the "Board") of Motus GI Holdings, Inc. (the "Company"). The proxy materials relating to the Annual Meeting are being mailed to stockholders entitled to vote at the meeting on or about July 2, 2021. A list of record holders of the Company's common stock entitled to vote at the Annual Meeting will be available for examination by any stockholder, for any purpose germane to the Annual Meeting, at our principal offices at 1301 East Broward Boulevard, 3rd Floor, Ft. Lauderdale, FL 33301, during normal business hours for ten days prior to the Annual Meeting (the "Stockholder List") and available during the Annual Meeting.

ABOUT THE MEETING

Why are we calling this Annual Meeting?

We are calling the Annual Meeting to seek the approval of our stockholders:

- To elect eight director nominees to serve as directors until the next annual meeting of stockholders;
- To ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2021;
- To approve an amendment to the Company's certificate of incorporation, as amended, to increase the Company's authorized shares of common stock from 115,000,000 to 165,000,000; and
- To consider any other matters that may properly come before the Annual Meeting.

What are the Board's recommendations?

Our Board believes that the election of the director nominees identified herein, the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2021, and the amendment to the Company's certificate of incorporation to increase the Company's authorized shares of common stock from 115,000,000 to 165,000,000 are advisable and in the best interests of the Company and its stockholders and recommends that you vote FOR each of the proposals.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

In accordance with rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to furnish to our stockholders this Proxy Statement and our 2020 Annual Report by providing access to these documents on the Internet rather than mailing printed copies. Accordingly, a Notice of Internet Availability of Proxy Materials (the "Notice") is being mailed to our stockholders of record and beneficial owners which will direct stockholders to a website where they can access our proxy materials and view instructions on how to vote online or by telephone. If you would prefer to receive a paper copy of our proxy materials, please follow the instructions included in the Notice.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the record date, June 21, 2021 (the "Record Date"), are entitled to receive notice of the Annual Meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Holders of our common stock are entitled to one vote per share on each matter to be voted upon.

As of the Record Date, we had 48,169,898 outstanding shares of common stock.

Who can attend the meeting?

All stockholders as of the Record Date, or their duly appointed proxies, may attend the Annual Meeting.

How do I vote shares at the Annual Meeting?

You can vote on matters that come before the Annual Meeting via the Internet by following the instructions in the Notice or by submitting your proxy card by mail. If you would prefer to vote by mail, please follow the instructions included in the Notice to receive a paper copy of our proxy materials.

If you are a stockholder of record, to submit your proxy by mail or vote via the Internet, follow the instructions on the proxy card or Notice. If you hold your shares in street name, you may vote via the Internet as instructed by your broker, bank or other nominee.

Your shares will be voted as you indicate on your proxy card. If you sign your proxy but you do not indicate your voting preferences, and with respect to any other matter that properly comes before the meeting, the individuals named on the proxy card will vote your shares FOR each of the director nominees and the matters submitted at the meeting, or if no recommendation is given, in their own discretion.

If you attend the Annual Meeting and prefer to vote in person, you may do so even if you have already voted your shares by proxy.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of our common stock outstanding on the Record Date will constitute a quorum for our meeting. Signed proxies received but not voted and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote?

- **Before the Annual Meeting:** You can vote on matters that come before the Annual Meeting via the Internet, by following the instructions in the Notice at <https://www.cstproxyvote.com>, or by submitting your proxy card by mail. If you would prefer to vote by mail, please follow the instructions included in the Notice to receive a paper copy of our proxy materials.

If you are a stockholder of record, to submit your proxy by mail or vote via the Internet, follow the instructions on the proxy card or Notice. If you hold your shares in street name, you may vote via the Internet as instructed by your broker, bank or other nominee.

Your shares will be voted as you indicate on your proxy card. If you sign your proxy but you do not indicate your voting preferences, and with respect to any other matter that properly comes before the meeting, the individuals named on the proxy card will vote your shares in accordance with the recommendations of the Board, or if no recommendation is given, in their own discretion.

- **During the Annual Meeting:** If you attend the Annual Meeting and prefer to vote during the Annual Meeting, you may do so even if you have already voted your shares by proxy.

Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by internet or mail so that your vote will be counted if you later decide not to attend the Annual Meeting.

What if I vote and then change my mind?

You may revoke your proxy at any time before it is exercised by:

- filing with the Secretary of the Company a notice of revocation;
- sending in another duly executed proxy bearing a later date; or
- attending the Annual Meeting and casting your vote in person.

For purposes of submitting your vote online before the Annual Meeting, you may change your vote until 11:59 p.m. Eastern Time on August 10, 2021. At this deadline, the last vote submitted will be the vote that is counted.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker as to how to vote and are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. If you do not vote your shares or otherwise provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in “*What vote is required to approve each proposal?*” below.

What vote is required to approve each proposal?

The holders of a majority of our common stock outstanding on the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. Pursuant to Delaware corporate law, abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present.

Assuming that a quorum is present, the following votes will be required:

- With respect to the first proposal (election of directors, “Proposal 1”), directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Annual Meeting (up to the total number of directors to be elected) will be elected. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on this proposal.
- The second proposal, to ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for 2021 (“Proposal 2”), requires the affirmative vote of a majority of the total votes cast, in person or by proxy. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on these proposals.
- The third proposal, to approve an amendment to the Company’s certificate of incorporation, as amended, to increase the Company’s authorized shares of common stock from 115,000,000 to 165,000,000 (“Proposal 3”), requires the affirmative vote, in person or by proxy, of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. **As a result, abstentions and “broker non-votes” (see below), if any, will have the effect of a vote AGAINST this proposal. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.**

Holders of the common stock will not have any dissenters’ rights of appraisal in connection with any of the matters to be voted on at the meeting.

What are “broker non-votes”?

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, your shares are held by your broker, bank or other agent as your nominee, or in “street name,” and you will need to obtain a proxy form from the organization that holds your shares and follow the instructions included on that form regarding how to instruct the organization to vote your shares. Banks, brokers and other agents acting as nominees are permitted to use discretionary voting authority to vote proxies for proposals that are deemed “routine” by the New York Stock Exchange, but are not permitted to use discretionary voting authority to vote proxies for proposals that are deemed “non-routine” by the New York Stock Exchange. A broker “non-vote” occurs when a proposal is deemed “non-routine” and a nominee holding shares for a beneficial owner does not have discretionary voting authority with respect to the matter being considered and has not received instructions from the beneficial owner. The determination of which proposals are deemed “routine” versus “non-routine” may not be made by the New York Stock Exchange until after the date on which this proxy statement has been mailed to you. As such, it is important that you provide voting instructions to your bank, broker or other nominee, if you wish to determine the voting of your shares.

The election of directors (Proposal No. 1) is not considered to be a “routine” matter and brokers are not permitted to vote on this matter if the broker has not received instructions from the beneficial owner. The ratification of our independent registered public accounting firm (Proposal No. 2) is considered to be a “routine” matter and the amendment to our certificate of incorporation, as amended, as described above, may be considered to be a “routine” matter, and hence your brokerage firm will be able to vote on Proposal No. 2 (and Proposal No. 3, if it is considered a “routine” matter as described above) even if it does not receive instructions from you, so long as it holds your shares in its name. However, if the approval of Proposal No. 3 is deemed by the New York Stock Exchange to be a “non-routine” matter, brokers will not be permitted to vote on Proposal No. 3 if the broker has not received instructions from the beneficial owner. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board and will pay all expenses associated therewith. Some of our officers, directors and other employees also may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means.

In addition, we have engaged Alliance Advisors, LLC to assist us in soliciting proxies from individuals, brokers, bank nominees and other institutional holders in the same manner described above. The fees that will be paid to Alliance Advisors, LLC are anticipated to be approximately \$8,000, plus approved and reasonable out of pocket expenses.

We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of the capital stock and to obtain proxies.

PROPOSAL 1: TO ELECT EIGHT DIRECTORS TO SERVE UNTIL THE NEXT ANNUAL MEETING AND UNTIL THEIR SUCCESSORS HAVE BEEN DULY ELECTED AND QUALIFIED

Our Board is currently composed of eight directors. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy, including vacancies created by an increase in the number of directors, shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been duly elected and qualified or until his or her earlier resignation, death or removal.

Each of the nominees listed below is currently one of our directors. If elected at the Annual Meeting, each of these nominees would serve until the next annual meeting and until his or her successor has been duly elected and qualified, or, if sooner, until his or her earlier resignation, death or removal.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Abstentions and broker non-votes will not be treated as a vote for or against any particular director nominee and will not affect the outcome of the election. Stockholders may not vote, or submit a proxy, for a greater number of nominees than the eight nominees named below. The director nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the eight director nominees named below. If any director nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by our Board. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Board of Director Composition

Our Board is currently composed of eight directors. Our directors hold office until their successors have been elected and qualified or until the earlier of their resignation or removal.

We have no formal policy regarding board diversity. Our priority in selection of board members is identification of members who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business and understanding of the competitive landscape.

Board of Director Meetings

Our Board met 10 times in 2020. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of our Board (held during the period for which such directors served on the Board) and (ii) the total number of meetings of all committees of our Board on which the director served (during the periods for which the director served on such committee or committees). We do not have a formal policy requiring members of the Board to attend our annual meetings. Our last annual meeting of stockholders was held on August 13, 2020. All of our directors serving at the time attended last year's annual meeting.

Director Independence

Our common stock is listed on The NASDAQ Capital Market. Under the rules of The NASDAQ Capital Market, independent directors must comprise a majority of our Board. In addition, the rules of The NASDAQ Capital Market require that all the members of such committees be independent. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Compensation committee members must also satisfy the independence criteria established by The NASDAQ Capital Market in accordance with Rule 10C-1 under the Exchange Act. Under the rules of The NASDAQ Capital Market, a director will only qualify as an "independent director" if, among other qualifications, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board has determined that Mr. Hochman, Mr. Sherman, Dr. Nussbaum, Mr. Korangy, Mr. Pruden and Ms. Nelson do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the Rules of The NASDAQ Capital Market and the SEC.

In making this determination, our Board considered the relationships that each non-employee director has with our Company and all other facts and circumstances our Board deemed relevant in determining their independence. We intend to comply with the other independence requirements for committees within the time periods specified above.

Board Committees

Our Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board may establish other committees to facilitate the management of our business. The composition and functions of each committee named above are described below. Members serve on these committees until their resignation or until otherwise determined by our Board.

Audit Committee. Our Audit Committee consists of Ms. Nelson (appointed as a committee member effective June 22, 2021), Mr. Pruden and Mr. Sherman, with Ms. Nelson serving as the Chair of the Audit Committee. Mr. Korangy served as Chairman and a member of the Audit Committee until June 22, 2021. The Audit Committee met 10 times in 2020. Our Board has determined that the directors currently serving on our Audit Committee are independent within the meaning of the NASDAQ Marketplace Rules and Rule 10A-3 under the Exchange Act. Mr. Korangy, during his period of service as Chairman and a member of the Audit Committee in 2020, was also

[Table of Contents](#)

determined by our Board to be independent within the meaning of the NASDAQ Marketplace Rules and Rule 10A-3 under the Exchange Act. In addition, our Board has determined that Ms. Nelson qualifies as an audit committee financial expert within the meaning of SEC regulations and The NASDAQ Marketplace Rules. Mr. Korangy, during his period of service as Chairman and a member of the Audit Committee in 2020, also qualified as an audit committee financial expert within the meaning of SEC regulations and The NASDAQ Marketplace Rules.

The Audit Committee oversees and monitors our financial reporting process and internal control system, reviews and evaluates the audit performed by our registered independent public accountants and reports to our Board any substantive issues found during the audit. The Audit Committee is directly responsible for the appointment, compensation and oversight of the work of our registered independent public accountants. The Audit Committee reviews and approves all transactions with affiliated parties. Our Board has adopted a written charter for the Audit Committee. A copy of the charter is posted under the “Investors” tab under “Corporate Governance” in our website, which is located at www.motusgi.com.

Compensation Committee. Our Compensation Committee consists of Mr. Hochman, Mr. Pruden and Dr. Nussbaum, with Mr. Hochman serving as the Chairman of the Compensation Committee. The Compensation Committee met 3 times in 2020. Our Board has determined that the three directors currently serving on our Compensation Committee are independent under the listing standards, are “non-employee directors” as defined in Rule 16b-3 promulgated under the Exchange Act and are “outside directors” as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee provides advice and makes recommendations to our Board in the areas of employee salaries, benefit programs and director compensation. The Compensation Committee also reviews and approves corporate goals and objectives relevant to the compensation of our President, Chief Executive Officer, and other officers and makes recommendations in that regard to our Board as a whole.

The Compensation Committee has directly engaged a compensation consultant, F.W. Cook & Co., to provide advice and recommendations on the structure, amount and form of executive and director compensation and the competitiveness thereof. At the request of the Compensation Committee, the compensation consultant provided, among other things, comparative data from selected peer companies. The compensation consultant reports directly to the Compensation Committee. The Compensation Committee’s decision to hire the compensation consultant was not made or recommended by Company management. The compensation consultant has not performed any work for the Company except with respect to the work that it has done directly for the Compensation Committee.

F.W. Cook & Co. also provides compensation consulting services to Orchestra BioMed, Inc., a former greater than 5% holder of our common stock and entity in which David Hochman, the Chairman of our Board and of the Compensation Committee, serves as a director and as chief executive officer. Our Compensation Committee has considered this business relationship in connection with its continued engagement of F.W. Cook & Co.

Our Board has adopted a written charter for the Compensation Committee. A copy of the charter is posted under the “Investors” tab under “Corporate Governance” in our website, which is located at www.motusgi.com.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of Mr. Sherman, Mr. Hochman and Dr. Nussbaum, with Mr. Sherman serving as the Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee met 2 times in 2020. The Nominating and Corporate Governance Committee nominates individuals to be elected to the Board by our stockholders. The Nominating and Corporate Governance Committee considers recommendations from stockholders if submitted in a timely manner in accordance with the procedures set forth in our bylaws and will apply the same criteria to all persons being considered. All members of the Nominating and Corporate Governance Committee are independent directors as defined under the NASDAQ listing standards. Our Board has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the charter is posted under the “Investors” tab under “Corporate Governance” in our website, which is located at www.motusgi.com.

Stockholder Nominations for Directorships

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names and background to the Secretary of the Company at the address set forth below under “Stockholder Communications” in accordance with the provisions

[Table of Contents](#)

set forth in our bylaws. All such recommendations will be forwarded to the Nominating and Corporate Governance Committee, which will review and only consider such recommendations if appropriate biographical and other information is provided, including, but not limited to, the items listed below, on a timely basis. All security holder recommendations for director candidates must be received by the Company in the timeframe(s) set forth under the heading “Stockholder Proposals” below.

- the name and address of record of the security holder;
- a representation that the security holder is a record holder of the Company’s securities, or if the security holder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934;
- the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five (5) full fiscal years of the proposed director candidate;
- a description of the qualifications and background of the proposed director candidate and a representation that the proposed director candidate meets applicable independence requirements;
- a description of any arrangements or understandings between the security holder and the proposed director candidate; and
- the consent of the proposed director candidate to be named in the proxy statement relating to the Company’s annual meeting of stockholders and to serve as a director if elected at such annual meeting.

Assuming that appropriate information is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board or other persons, as described above and as set forth in its written charter.

Board Leadership Structure and Role in Risk Oversight

The positions of our chairman of the Board and chief executive officer are separated. Separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the Board to lead our Board in its fundamental role of providing advice to and independent oversight of management. Our Board recognizes the time, effort and energy that the chief executive officer must devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as our Board’s oversight responsibilities continue to grow. Our Board also believes that this structure ensures a greater role for the independent directors in the oversight of our Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our Board. Our Board believes its administration of its risk oversight function has not affected its leadership structure.

Although our bylaws do not require our chairman and chief executive officer positions to be separate, our Board believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including those described under the section entitled “Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2020 and other reports filed with the SEC. Our Board is actively involved in oversight of risks that could affect us. This oversight is conducted primarily by our full Board, which has responsibility for general oversight of risks.

Our Board will satisfy this responsibility through full reports by each committee chair regarding the committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our Company. Our Board believes that full and open communication between management and our Board is essential for effective risk management and oversight.

Stockholder Communications

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, and subject to advice from legal counsel, the Secretary of the Company is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the Board as he considers appropriate.

Communications from stockholders will be forwarded to all directors if they relate to important substantive matters or if they include suggestions or comments that the Secretary considers to be important for the Board to know. Communication relating to corporate governance and corporate strategy are more likely to be forwarded to the Board than communications regarding personal grievances, ordinary business matters, and matters as to which the Company tends to receive repetitive or duplicative communications.

Stockholders who wish to send communications to the Board should address such communications to: The Board of Directors, Motus GI Holdings, Inc., 1301 East Broward Boulevard, 3rd Floor Ft. Lauderdale, FL 33301, Attention: Secretary.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our employees, officers and directors. A copy of the code is posted under the “Investors” tab under “Corporate Governance” in our website, which is located at www.motusgi.com. We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions applicable to any principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and our directors, on our website identified above or in filings with the SEC.

Anti-Hedging Policy

Under the terms of our insider trading policy, we prohibit each officer, director and employee, and each of their family members and controlled entities, from engaging in certain forms of hedging or monetization transactions. Such transactions include those, such as zero-cost collars and forward sale contracts, that would allow them to lock in much of the value of their stock holdings, often in exchange for all or part of the potential for upside appreciation in the stock, and to continue to own the covered securities but without the full risks and rewards of ownership.

Limitation of Directors Liability and Indemnification

The Delaware General Corporation Law (the “DGCL”) authorizes corporations to limit or eliminate, subject to certain conditions, the personal liability of directors to corporations and their stockholders for monetary damages for breach of their fiduciary duties. Our certificate of incorporation limits the liability of our directors to the fullest extent permitted by Delaware law. In addition, we have entered into indemnification agreements with each of our directors and officers whereby we have agreed to indemnify those directors and officers to the fullest extent permitted by law, including indemnification against expenses and liabilities incurred in legal proceedings to which the director or officer was, or is threatened to be made, a party by reason of the fact that such director or officer is or was a director, officer, employee or agent of the Company, provided that such director or officer acted in good faith and in a manner that the director or officer reasonably believed to be in, or not opposed to, the best interests of the Company.

We have director and officer liability insurance to cover liabilities our directors and officers may incur in connection with their services to us, including matters arising under the Securities Act. Our certificate of incorporation and bylaws also provide that we will indemnify our directors and officers who, by reason of the fact that he or she is one of our officers or directors, is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative related to their board role with us.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification will be required or permitted. We are not aware of any threatened litigation or proceeding that may result in a claim for such indemnification.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our common stock as of June 15, 2021 by:

- each of our stockholders who is known by us to beneficially own 5% or more of our common stock;
- each of our named executive officers;
- each of our directors; and
- all of our directors and current officers as a group.

Beneficial ownership is determined based on the rules and regulations of the SEC. A person has beneficial ownership of shares if such individual has the power to vote and/or dispose of shares. This power may be sole or shared and direct or indirect. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock that are subject to options or warrants held by that person and exercisable as of, or within 60 days of, June 15, 2021 are counted as outstanding. These shares, however, are not counted as outstanding for the purposes of computing the percentage ownership of any other person(s). Except as otherwise noted in the footnotes to the table, we believe that each person or entity named in the table has sole voting and investment power with respect to all shares of our common stock shown as beneficially owned by that person or entity (or shares such power with his or her spouse). Unless indicated below, the address of each individual listed below is c/o Motus GI Holdings, Inc., 1301 East Broward Boulevard, 3rd Floor, Ft. Lauderdale, FL 33301.

The percentage of the common stock beneficially owned by each person or entity named in the following table is based on 48,169,898 shares of common stock issued and outstanding as of June 15, 2021 plus any shares issuable upon exercise of options or warrants that are exercisable on or within 60 days after June 15, 2021 held by such person or entity.

Beneficial ownership representing less than 1% is denoted with an asterisk (*).

In January 2020, Orchestra BioMed, Inc. paid us a one-time fee of \$28.5 thousand, upon entering into the License Agreement and will continue to pay a monthly license fee to us until the expiration of the License Agreement in September 2024. Aggregate license fees will generally range from approximately \$162 thousand to approximately \$198 thousand in any given calendar year during the term of the License Agreement.

Indemnification Agreements

We have entered into indemnification agreements with all of our directors and named executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.

Policies and Procedures for Related Party Transactions

Our board of directors has adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our Common Stock, any members of the immediate family of any of the foregoing persons and any firms, corporations or other entities in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest (collectively “related parties”), are not permitted to enter into a transaction with us without the prior consent of our board of directors acting through the Audit Committee or, in certain circumstances, the chairman of the Audit Committee. Any request for us to enter into a transaction with a related party, in which the amount involved exceeds \$100,000 and such related party would have a direct or indirect interest must first be presented to our Audit Committee, or in certain circumstances the chairman of our Audit Committee, for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee, or the chairman of our Audit Committee, is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the benefits to us, the availability of other sources of comparable products or services and the extent of the related party’s interest in the transaction.

Director Independence

Our board of directors undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that Mr. Hochman, Mr. Sherman, Mr. Jacobs (who resigned from our board of directors effective January 6, 2020), Dr. Nussbaum, Mr. Korangy, Mr. Pruden, and Ms. Nelson do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the Rules of the Nasdaq Market and the SEC.

PROPOSAL 2: RATIFY THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2021

The Audit Committee has reappointed EisnerAmper LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2021, and has further directed that management submit their selection of independent registered public accounting firm for ratification by our stockholders at the Annual Meeting. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as public registered accounting firm.

Principal Accountant Fees and Services

The following table summarizes the fees paid for professional services rendered by EisnerAmper LLP, our independent registered public accounting firm, for each of the last two fiscal years:

Fee Category	2020	2019
Audit Fees	\$ 186,704	\$ 242,162
Audit-Related Fees	\$ —	\$ —
Tax Fees	\$ 33,540	\$ 42,110
All Other Fees	\$ —	\$ —
Total Fees	\$ 220,244	\$ 284,272

Audit Fees

“Audit fees” consist of approximately \$171,000 and \$185,000 in 2020 and 2019, respectively, of fees for professional services provided in connection with the audit of our annual audited financial statements and the review of our quarterly financial statements, and approximately \$16,000 and \$57,000 in 2020 and 2019, respectively, of fees for consents and comfort letters provided in connection with the offerings of our Common Stock.

Tax Fees

“Tax fees” consist of approximately \$25,000 and \$23,000, in 2020 and 2019, respectively, for services related to tax preparation and filing, and \$9,000 and \$19,000, in 2020 and 2019, respectively, for tax consulting services associated with tax preparation and filings and intercompany transfer pricing activities.

Procedures for Approval of Fees

The Audit Committee is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The Audit Committee has established a policy regarding pre-approval of all auditing services and the terms thereof and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to us by the independent auditor. However, the pre-approval requirement may be waived with respect to the provision of non-audit services for us if the “de minimus” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied.

The Audit Committee has considered whether the provision of Audit-Related Fees, Tax Fees, and all other fees as described above is compatible with maintaining EisnerAmper LLP’s independence and has determined that such services for fiscal year 2020 were compatible. All such services were approved by the Audit Committee pursuant to Rule 2-01 of Regulation S-X under the Exchange Act to the extent that rule was applicable.

The Audit Committee is responsible for reviewing and discussing the audited financial statements with management, discussing with the independent registered public accountants the matters required in Auditing Standards No. 16, receiving written disclosures from the independent registered public accountants required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountants’ communications with the Audit Committee concerning independence and discussing with the independent registered public accountants their independence, and recommending to our Board that the audited financial statements be included in our annual report on Form 10-K.

Attendance at Annual Meeting

Representatives of EisnerAmper LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3: APPROVAL OF AN AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK FROM 115,000,000 TO 165,000,000

Our Board has approved, subject to stockholder approval, an amendment to our certificate of incorporation to increase our authorized shares of common stock from 115,000,000 to 165,000,000. The increase in our authorized shares of common stock will become effective upon the filing of an amendment to our certificate of incorporation with the Secretary of State of the State of Delaware. If the amendment to increase our authorized shares of common stock is approved by stockholders at the Annual Meeting, we intend to file the amendment to our certificate of incorporation as soon as practicable following the Annual Meeting. Our board reserves the right, notwithstanding stockholder approval of the amendment to our certificate of incorporation and without further action by our stockholders, not to proceed with the amendment to our certificate of incorporation at any time before it becomes effective.

The form of the certificate of amendment is set forth as Appendix A to this proxy statement (subject to any changes required by applicable law).

Outstanding Shares and Purpose of the Proposal

Our certificate of incorporation currently authorizes us to issue a maximum of 115,000,000 shares of common stock, par value \$0.0001 per share, and 10,000,000 shares of preferred stock, \$0.0001 par value per share. As of the record date, we had no shares of preferred stock issued and outstanding and the amendment to our certificate of incorporation does not affect the number of authorized shares of preferred stock. Our issued and outstanding securities, as of the Record Date, are as follows:

- 48,169,898 shares of common stock;
- 9,130,821 shares of common stock issuable upon the exercise of warrants outstanding;
- 5,986,219 shares of common stock issuable upon the exercise of options outstanding;
- 698,011 shares of common stock issuable pursuant to restricted stock units outstanding;
- 330,072 shares of common stock reserved for future grants, awards and issuances under our current equity compensation plan; and
- 64,315,021 shares of common stock outstanding on a fully diluted basis.

The approval of the amendment to our certificate of incorporation to increase our authorized shares of common stock is important for our ongoing business. Our Board believes it would be prudent and advisable to have the additional shares available to provide additional flexibility regarding the potential use of shares of common stock for business and financial purposes in the future. Having an increased number of authorized but unissued shares of common stock would allow us to take prompt action with respect to corporate opportunities that develop, without the delay and expense of convening a special meeting of stockholders for the purpose of approving an increase in our authorized shares. The additional shares could be used for various purposes without further stockholder approval. These purposes may include: (i) raising capital, if we have an appropriate opportunity, through offerings of common stock or securities that are convertible into common stock; (ii) expanding our business through potential strategic transactions, including mergers, acquisitions, licensing transactions and other business combinations or acquisitions of new product candidates or products; (iii) establishing strategic relationships with other companies; (iv) exchanges of common stock or securities that are convertible into common stock for other outstanding securities; (v) providing equity incentives pursuant to our 2016 Plan, or another plan we may adopt in the future, to attract and retain employees, officers or directors; and (vi) other general corporate purposes. We intend to use the additional shares of common stock that will be available to undertake any such issuances described above. Because it is anticipated that our directors and executive officers will be granted additional equity awards under our 2016 Plan, or another plan we adopt in the future, they may be deemed to have an indirect interest in the amendment to our certificate of incorporation to increase our authorized shares of common stock, because absent the amendment to our certificate of incorporation to increase our authorized shares of common stock, we may not have sufficient authorized shares to grant such awards.

[Table of Contents](#)

The increase in authorized shares of our common stock under the amendment to our certificate of incorporation will not have any immediate effect on the rights of existing stockholders. However, because the holders of our common stock do not have any preemptive rights, future issuance of shares of common stock or securities exercisable for or convertible into shares of common stock could have a dilutive effect on our earnings per share, book value per share, voting rights of stockholders and could have a negative effect on the price of our common stock.

Disadvantages to an increase in the number of authorized shares of common stock may include:

- Stockholders may experience further dilution of their ownership.
- Stockholders will not have any preemptive or similar rights to subscribe for or purchase any additional shares of common stock that may be issued in the future, and therefore, future issuances of common stock, depending on the circumstances, will have a dilutive effect on the earnings per share, voting power and other interests of our existing stockholders.
- The additional shares of common stock for which authorization is sought in this proposal would be part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently outstanding.
- The issuance of authorized but unissued stock could be used to deter a potential takeover of us that may otherwise be beneficial to stockholders by diluting the shares held by a potential suitor or issuing shares to a stockholder that will vote in accordance with the Board's desires. A takeover may be beneficial to independent stockholders because, among other reasons, a potential suitor may offer such stockholders a premium for their shares of stock compared to the then-existing market price. We do not have any plans or proposals to adopt provisions or enter into agreements that may have material anti-takeover consequences.

We have no specific plan, commitment, arrangement, understanding or agreement, either oral or written, regarding the issuance of common stock subsequent to this proposed increase in the number of authorized shares at this time, and we have not allocated any specific portion of the proposed increase in the authorized number of shares to any particular purpose. However, we have in the past conducted certain public and private offerings of common stock, convertible preferred stock and warrants, and we will continue to require additional capital in the near future to fund our operations. As a result, it is foreseeable that we will seek to issue such additional shares of common stock in connection with any such capital raising activities, or any of the other activities described above. The Board does not intend to issue any common stock or securities convertible into common stock except on terms that the Board deems to be in the best interests of us and our stockholders. We are therefore requesting our stockholders approve this proposal to amend our certificate of incorporation to increase the authorized shares of common stock.

Vote Required

The affirmative vote of a majority of the shares of common stock outstanding and entitled to vote at the meeting will be required to approve this Proposal 3. Abstentions and broker non-votes with respect to this proposal will be counted for purposes of establishing a quorum and, if a quorum is present, abstentions, and broker non-votes, if this Proposal 3 is deemed to be a "non-routine" matter as further discussed in *What are broker non-votes?*, will have the same practical effect as a vote against this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK FROM 115,000,000 to 165,000,000.
